

# *Let's Get* **SPOOKY!**

It's time to embrace the magic of Halloween! This guide features two fun and easy Halloween projects for your kiddos to enjoy!

# DIY JACK-O-LANTERN

## Materials Needed:

- Empty water bottle
- Black marker
- Tape
- Your choice of filler for your Jack-O-Lantern friend!

## Instructions:

It's time to make your very own Jack-O-Lantern!

1. Grab an empty water bottle!
2. Fill your bottle with your choice of orange filler. Fill your bottle with tissue paper, glitter, or orange cotton balls! Use white materials to create a little ghost too!
3. Twist the cap of your water bottle on and tape it.
4. Draw a spooky face on your new friend!

# DIY COTTON BALL GHOSTS

## Materials Needed:

- White paper
- Black paper
- Cotton balls
- Glue
- Tape
- String (Optional)

## Instructions:

It's time to make some cotton ball ghosts!

1. Cut out the shape of a little ghost!
2. Glue cotton balls to your ghost.
3. Cut out two eyes and a mouth, and glue them to your ghost!
4. Tape a piece of string to the back of your ghost to watch them fly!
