

RAW BROCCOLI!

Scan the QR code below to see our broccoli food exploration dynamic scene cues!

LET'S COLOR!

Tools: the following coloring page and crayons

Note: If your learner is feeling overwhelmed with this activity, consider covering the future steps with a piece of paper, so they view one step at a time.

Instructions:

1. Color the top of the broccoli light green.

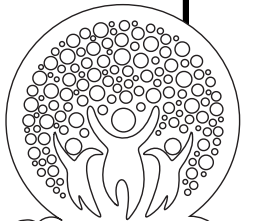

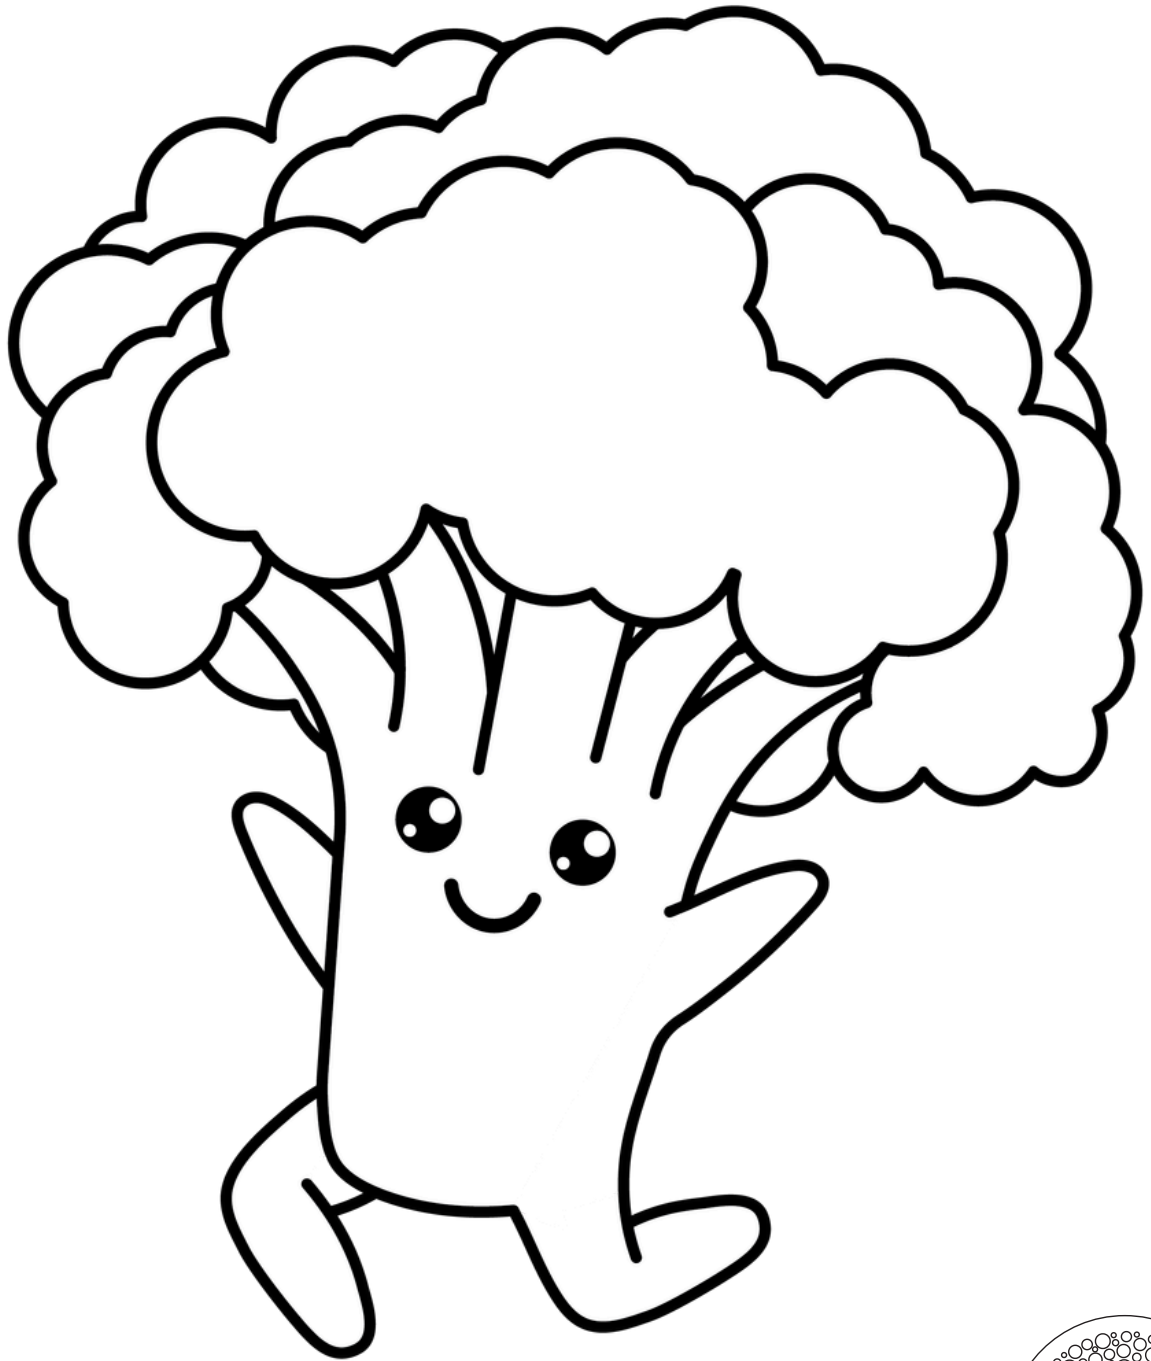

1. Color the bottom of the broccoli dark green.
