

HOTDOG RECIPE!

Tools: Paper towel, hotdog, hotdog bun, 4 slices of precut cucumber, 4 toothpicks, toppings of choice, optional favorite character

1. Place the bun on the paper towel.

2. Place the hotdog into the bun.

3.Optional: wipe the pre-cut cucumber slices on a paper towel to dry.

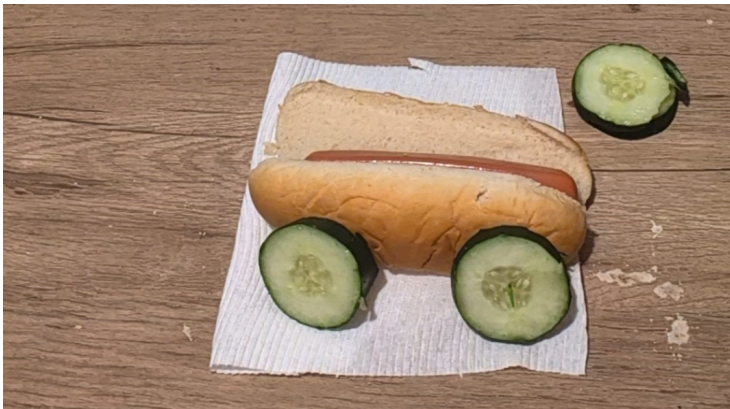

4.Place the first cucumber slice next to the bun.

5.Pierce the cucumber and bun with the first toothpick.

6. Place the second cucumber slice next to the bun.

7. Pierce the cucumber and bun with the second toothpick.

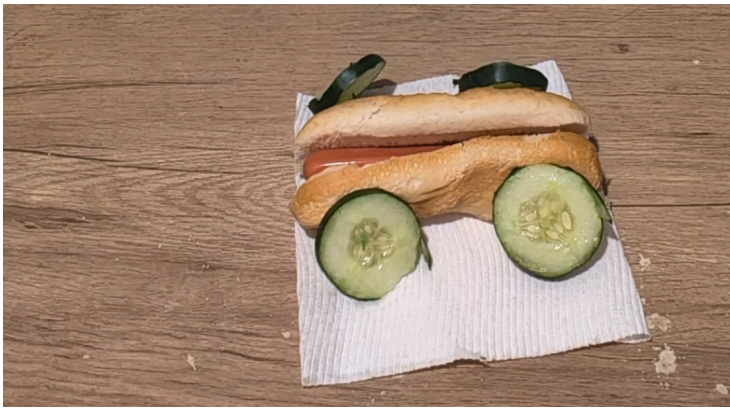

8. Place the third cucumber slice next to the bun.

9. Pierce the cucumber and bun with the third toothpick.

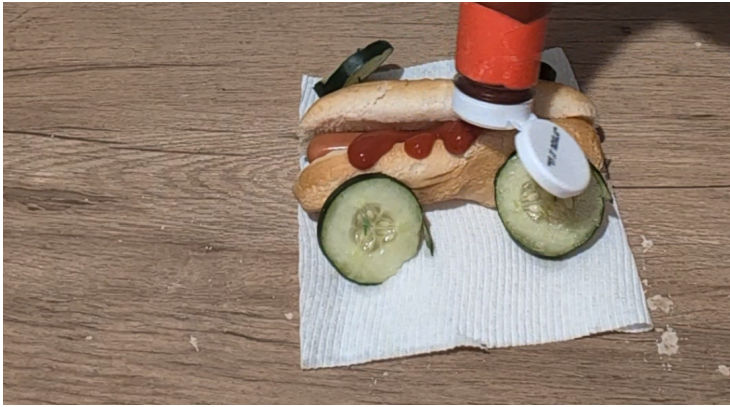

10. Place the fourth cucumber slice next to the bun.

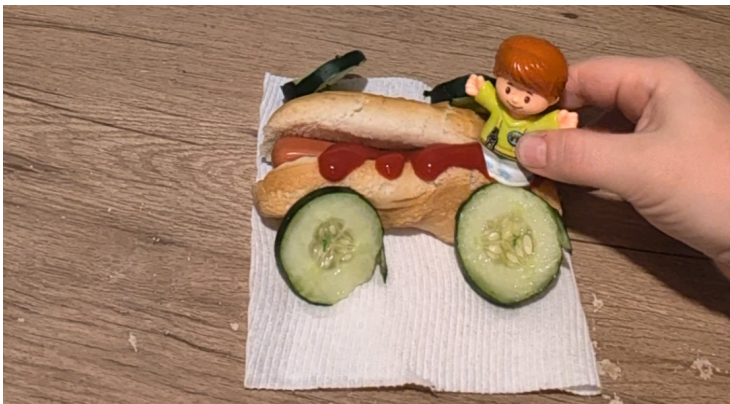

11. Pierce the cucumber and bun with the fourth toothpick.

12. Top with your favorite sauce.

13. Optional: Place your favorite character on the hotdog as the driver.

Can you make the hotdog car drive? Do you want to try a bite?
Adult: Ensure a safe experience by removing toothpicks before mouthing.
