

To-Do List: Get Diagnostic Assessment

- ☐ Connect with ACP by calling 800-679-3609 or emailing Welcome@AutismCarePartners.com.
- ☐ Complete intake paperwork that includes general information, insurance carrier, and consent for the evaluation that is sent via Adobe from our intake team.
- ☐ Allow ACP to work with your insurance carrier behind-the-scenes to ensure coverage during assessment process and input information into ACP systems.
- ☐ Once the intake process is complete, the Family Liaison for your center will schedule the initial appointment with the Psychologist.
- ☐ Complete virtual intake appointment with Psychologist to answer questions and present concerns.
- ☐ Prepare for assessment day:
 - Get good night's sleep if possible.
 - Take all prescribed medications unless otherwise specified by your provider.
 - Wear comfortable clothes.
 - Bring snacks, drinks, and preferred toys.
- ☐ Complete diagnostic evaluation, typically about 1-3 hours. This will include age-appropriate diagnostic tools (such as toys and play for toddlers).
- ☐ Complete final, virtual meeting with your Psychologist to review the results of your assessment, ask questions, and review next step options.
- ☐ If you choose to utilize your local therapy services with ACP, begin service intake for ABA, Occupational, or Speech Therapy* at this stage.

*Services may vary by location. Your center team can confirm what services are available near you.
